Monthly Happenings

Director's Corner

We are so excited to start another new year! This looks to be another wonderful year and we are happy to announce that our teaching staff has completed the Pyramid training course. This helps our staff to even better serve all of our children and families. You will start to see some changes with class room schedule signs, class rule signs, and other important changes. This will provide consistency throughout a child's experiences in our program.

Just a few reminders:

Immunization and Medical updates need to be turned in after each physical.

As always if you have any questions or concerns, please stop by and see us!

Happy New Year from all of us in Pre-k! We hope you had a fun-filled holiday season. We are welcoming some friends from Ms. Trish's room: Addison, Aiden, and Matthew. We know you will fit right in and the children are excited to play with these new friends. We are looking forward to a very productive year. Please take a moment to go through your child's cubby. We suggest a complete change of clothes (including socks) in case of a spill or accident. Also, don't forget to check your child's mailbox, we don't want you to miss any awesome artwork.

Kinder-Ready News

We are so excited for a new year, filled with fun and friends. We are happy to say that our friend Grace will be coming back to join us! We have missed her and cannot wait to play with her again. Throughout the month, we will be focusing on strengthening our skills in letter recognition, number recognition, writing our names, and rhyming. In addition, we will be working on expressing our ideas and retelling stories. These skills will be put to use during our Fairy tales and Nursey Rhymes unit. We have to shout a big HAPPY BIRTHDAY to Gavin, Dylan, and Landon! We will continue to get outside any chance we get, so please make sure to bring in snow pants, warm gloves, hats, and boots. We do not have many extras in the building (plus our kiddos are bigger than most of the extras we do have). We will be putting our friendship skills to work during our friendship and peace week. This week will be introducing our Super Friends story, to help us become even better friends.

Mrs. Christina, Miss Teryn, and Miss Jackie
